# Today's Technology!

Dear Friends,

Each year I always think how can it get any better than this? And each year I have discovered...it is better!! New funds, new donors, assets grow, and the ability to assist local organizations through our grants and scholarships continue to grow as well. We are blessed by the people of Noble County who continue to support their hometowns.

The year of 2013 brought new advancements, especially in the world of technology. Moving away from the computer monitors that are three feet deep to updated equipment for our desk tops. Learning new software programs that will enable us to better serve those in Noble County and options for our donors to give 'on-line' has helped us to continue to improve administration and effectiveness. Each Saturday an electronic email is sent to those who wish to receive it, and the email includes viable information each week, from what is currently happening at NCCF to tips avoiding tax, travel discount, finances, and even news from Washington. If you are interested, please send us your email address and you can be added.

We are excited to share that an updated web site for the foundation is now user friendly and you can find us at [www.noblecountycf.org](http://www.noblecountycf.org). And of course we like to share news on Facebook and Twitter so we hope to hear from you on those sites as well.

And to our outgoing board of directors: Janet Sweeney, Arthur Grawcock, Jonathan Leman, Gary Leatherman and Rod Schoon....We thank you!!! We have truly appreciated your dedication and support and providing the leadership to help the foundation continue to excel.

And to our donors, grantees, staff, and volunteer board members and committee members – Thanks for all you do to help us grow. We appreciate your generous support that makes our work possible. Remember we are always here to help you now and in the future.

Don't hesitate to contact us to discover the many ways you can benefit from helping us further our mission. Sincerely,

Linda Speakman-Yerick  
Executive Director

# President's Message—Valerie Hague

Dear Friends,

Having lived in Noble County for over 40 years, I'm always amazed with the generosity of the community. While I was truly blessed through the years of serving as Director of Noble House and meeting many caring and generous people, I became more aware of the pride our community takes in our many non-profit organizations.

There is rarely a day that our community isn't raising funds for a local non-profit, or supporting a benefit for a local family or individual in crisis. What a blessing to live in a community so generous and caring with each other.

This past year the NCCF has been the recipient of this generosity. **Seven hundred and fifty seven gifts totaling \$1,727,777** will help support many non-profit organizations and college scholarships. We are thankful for the confidence these donors have in the foundation and value their partnership and generosity.

The foundation is blessed with a professional and competent staff who work well together. This has been a year with technical challenges, but our staff was up for the challenge and kept the operation running smoothly. Thank you Linda, Anita, Jennifer, and Margarita for a job well done!!

*Val*

# Little LEAPS!

Students entering kindergarten for the 2014-15 school year at West Noble will have the chance to attend a new pre-kindergarten class being offered by LEAP of Noble County and the West Noble School Corp.

The new program, Little LEAPS (Learning Early At Primary School), is a non-permanent fund held at the Noble County Community Foundation, Inc.

The need for the pre-K classes came because of the disparity of skills presented by incoming kindergarten students each year. English-language skills are also a problem because of homes where English is not the primary language. This applies to both Hispanic and Amish families.

For more information about Little LEAPS Pre-K program, contact LEAP of Noble County at 260-636-7011 or on how to donate to Little LEAPS contact the community foundation at 260-894-3335.

## W. Paul Wolf Family Resource Center

In 2013, work was underway on the W. Paul Wolf Family Resource Center (pictured at right), a gift that will serve tens of thousands of visitors, staff members, students, teachers, and more

at Black Pine Animal Sanctuary in Albion, for generations to come! This gift is made possible through a restricted fund established by the W. Paul Wolf Family at the Noble County Community Foundation, Inc. This fund's purpose is to build a 1,280 square foot building to serve a variety of needs at the Sanctuary.

The W. Paul Wolf Family is recognized for their crucial support during the Relocation Project in 2006 as sponsor of the Volunteer Center at Black Pine. In the following years the Wolf Family also made significant contributions that helped fund a new "green" septic system. More recently, another \$25,000 gift to the Ohio Tiger Relief Fund was life-changing for six tigers that are now enjoying refuge for the rest of their lives at Black Pine.

The W. Paul Wolf Family Resource Center, made possible by the family's latest gift, will be erected at the north end of the Sanctuary and will serve as a point of entry and admissions for visitors, retail space for the sale of gifts and souvenirs, a meeting room for use by board members, staff, to conduct internship workshops, kids camp activities, and to house a resource library. The new structure will enable Black Pine to offer more upscale merchandise and will eliminate the need to pack and unpack goods from storage tubs each day during the summer season. Light refreshments, shelter for special events, and more storage space will also be made possible with Wolf's gift.

For more information about Black Pine Animal Sanctuary contact them by calling 260.636.7383 or find them on Facebook or web at [www.BlackPine.org](http://www.BlackPine.org) *Reprinted with permission of Black Pine Animal Sanctuary.*

# A New Legacy for Noble County Created

## Cecil C. and Bette I. Smith Scholarship Fund

The Noble County Community Foundation< inc. received a legacy gift late last year from the estate of Cecil C. Smith and Bette I. Smith formerly of Kendallville, Indiana. Cecil Smith earned his degree from Ball State University in 1939 and married Bette Kizer Smith in 1940, also a graduate of Ball State University. Cecil taught school in Fort Recovery, Ohio and then taught business classes at Rome City High School, all before starting his own public accounting business in Kendallville. His wife, Bette, also taught school in the area of health and physical education for 20 years beginning at Kendallville High School in 1957. Cecil and Bette lived on a farm north of Kendallville since 1954. Cecil passed in February of 1995 and Bette passed away in December of 2009. Mr. and Mrs. Smith had a daughter Sandra Smith Fields of Oregon who passed away in 2013.

The legacy bestowed upon the community foundation is an endowed named scholarship fund to benefit a graduating senior/s from East Noble School Corporation possibly beginning next year. It is always a blessed day when we receive a phone call from a local attorney, such as Daniel Diggins, Atty., sharing the terrific news of a substantial gift, over \$500,000 benefiting our upcoming graduates at East Noble.

## Don't tap into your savings.

We know that times are tough and you are looking for ways to save rather than spend your hard-earned money. There is a way that you can make a gift to us without tapping into your savings. By designating the Noble County Community Foundation, Inc. as the beneficiary of all or a portion of your IRA funds you can help us continue our good work and avoid taxing your estate and loved ones. To learn more about the benefits of making an IRA charitable bequest, call our executive director, Linda Speakman-Yerick at 260.894.3335 or E-mail her at [Linda@NobleCountyCF.org](mailto:Linda@NobleCountyCF.org)

## Noble County Memorial Scholarship Fund

*In memory of Kenneth Forker, Chester E. Dekko, John E. Hogan, Howard G. Heckner, Dorothy Mossman, Dave Knopp, Loretta and Christine Noe, Sandra K. Shepherd, Sylvan Springs*

Many have found that a fitting way to remember a special someone is through a gift in memory of that person. During times of great sorrow we look for ways to honor the memory of those who are dear to us, and it becomes very important that the memorial carries their name. Scholarship funds are one of the most popular choices for families wishing to remember their loved ones. The thought that future generations will benefit in their memory can bring great comfort.

The Noble County Community Foundation is pleased to announce the creation of a **Memorial Scholarship Fund**. *Through a combination of single or multiple gifts this fund will enable families and friends to memorialize their loved ones forever.* Each year the names of those memorialized will be listed as part of this scholarship. Annual scholarships of a minimum of \$1,000 will be awarded, and recipients will be selected from among those who apply for Noble County Community Foundation scholarships. To have the name of your loved one included on our Memorial Scholarship please contact the community foundation at 260.894.3335 or [NCCF@NobleCountyCF.org](mailto:NCCF@NobleCountyCF.org)
