Confirmed in Compliance with National Standards for U.S. Community Foundations
Message from Noble County Community Foundation, Inc.

Dear Friends,

It is an exciting time at the Foundation. We have a chance to make a lasting impact on Noble County....because of you: our community foundation donors and volunteers. Ordinary people doing extraordinary things!!

The Foundation has served Noble County community since August of 1991 when Lilly and local leaders saw the need to create an organization that was designed to assist the community’s future growth while serving as a vehicle for county wide philanthropy. Over the past 25 years the Foundation has served in that role and has built relationships with donors who have established 187 endowment funds that are meant to last for perpetuity. Because of those donors the Foundation has been able to grant more than $27.7 million to not-for profits organizations and scholarships for our local students since our inception.

We the Community Foundation, are a community that exists because of you, the people of Noble County. We are a community of givers, a community that has a common purpose and a community that hopes to provide a better life for its people and those who come after us.

We love the Community Foundation tag line – “Connecting people who care with causes that matter” –It’s short, it’s simple, it makes the point that we are all a part of something greater. And we are in it together.

As always from our board and staff to you....thank you for trusting us with carrying out your philanthropic legacy.

Don’t hesitate to contact us to discover the many ways you can benefit from helping us further our mission.

With Gratitude,

Jarrod

Helping to Bridge the Generational Gaps—Senior Citizen’s Prom

Since 2006, P.U.L.S.E. of Noble County members have been working toward bridging the generational gap. To address this need, P.U.L.S.E. organized a Senior Citizen’s prom that would allow seniors and teenagers to talk, have fun, and learn from each other. In April of this year, P.U.L.S.E. held their annual Senior Citizen’s Prom. Guests were welcomed by P.U.L.S.E. president Sarah Buchanan and enjoyed “A Hawaiian Luau” along with a meal and door prizes.

P.U.L.S.E. of Noble County is directed by the Noble County Community Foundation, Inc. as a youth empowered philanthropy group. Five high school students from Central Noble, East Noble, West Noble and homeschooled students make up the group’s membership who conduct monthly community service projects and review and award grants throughout the county.

For more information about P.U.L.S.E. of Noble County or to apply for a grant, visit www.NobleCountyCF.org and click on the “Grants” tab or call the community foundation at 260.894.3335.
A special thank you to

Richard “Rick” J. Hoffman
Unrestricted Fund

In August 2015, the Noble County Community Foundation was approached by the Hoffman family and Ryan Stoneburner, trustee of the Hoffman Trust, to create a fund at the foundation to honor the legacy of Richard “Rick” J. Hoffman.

The exciting news for Noble County is this gift is ‘unrestricted,’ which allows the foundation to meet those ever-changing needs within the county.

Richard Hoffman of Fort Wayne died Nov. 16, 2013. Hoffman was president and CEO of Kimco Leasing Inc., a company he had founded. He enjoyed sailing, cooking and traveling the world. He is survived by three children, Scott Hoffman, John (Dawn) Hoffman and Daniele (Mark) Zajac; and five grandchildren. Mr. Hoffman valued his community, friends, neighbors and employees who passed through his doors as individuals of worth, and he dealt with them all that way.

Mr. Hoffman didn’t just make a living here; he made a life. He offered his friendship to many, and especially those who worked around him most closely. Scott and John Hoffman said their father worked hard every day to grow the business in order to make it a success. They said he was a “simple man” who enjoyed the simple things in life.

He never flaunted his success around other people, they said, and he would always write a thank-you card to people who spent time with him. “Our dad gave back to the community with both his time and money through being an active and longtime member of the Fort Wayne Central Lions Organization, as well as being a volunteer for Junior Achievement to teach children basic money concepts,” the brothers said.

“As we were growing up, Dad instilled in us the desire to give of our time by doing things such as carving turkeys on Thanksgiving and helping others in need.”

Expressing their pride in their father, John, Scott and their sister, Daniele, said they are grateful for his wisdom. They praised him for the “giving and inspiration” he provided.

Charitable Gift Annuities

YOU CAN GIVE A GIFT ANNUITY

You probably already know how a charitable gift annuity works. You give stock or a check to Noble County Community Foundation and we sign a commitment to give you “x” number of dollars for every year for the rest of your life. The arrangement benefits you in several ways, including tax relief. NCCF receives a benefit because we obtain funds to help us carry out our mission.

Gift annuities help both the donor and the organization the donor cares about. Some folks like them so well they obtain a new one every year.

But did you know you can give gift annuity payments to someone else? We can handle the details and make the payments. Again, the benefits are considerable – for you, for your spouse, your children and for NCCF.

We would love to chat with you about our gift annuity program. The Community Foundation looks forward to hearing from you.
Dr. David and Alvena VanMeter Scholarship

The fund was established in 1993 by the Albion Rotary Club and its members to honor Dr. David VanMeter, Jr. Both David and his wife, Alvena sought to be loving servants and raised their family to have the same values by putting service before self. One of their goals in life was to lead a good, Christian life. They were also examples to their children by being involved in the community. David was active in all organizations and wanted to leave his community better than he found it. Alvena was very family oriented and was a good help mate to her late husband and a loving mother to her children.

This fund began awarding scholarships in 1996 to Central Noble High School seniors entering a two-year or four-year college or vocational program as a full time student and pursuing a career in veterinary medicine, agriculture or the medical field.

The Noble County Community Foundation, Inc. is home to many scholarships benefiting high school seniors preparing to enter college and adults returning to college.

The application period is typically November through January of each year. Contact the community foundation for more details at 260.894.3335 or visit our website at www.NobleCountyCF.org during that time period.

Welcome New Funds in 2015
Dr. Clarence & Marguerite Granger
Wilber L. Helmer
Richard “Rick” J. Hoffman Unrestricted Life Estate

Dr. Clarence and Marguerite Granger Fund and Wilber L. Helmer Fund

Two new funds established in 2015 were by Dr. Thomas Jansen, Trustee, for the Dr. Clarence and Marguerite Granger Foundation and Wilber L. Helmer Foundation.

Dr. Thomas Jansen, a founding community foundation board member and community leader for several organizations, approached the community foundation about this transfer of wealth becoming endowed funds that will continue to grow and provide income to several organizations in the Kendallville area.

The Dr. Clarence and Marguerite Granger endowed fund will be a designated fund that will provide annual support to four worthy organizations: Noble County Council on Aging, Anthony Wayne Boy Scout Council – For Camp Chief Little Turtle, Kendallville Day Care Center, and the Cole Center Family YMCA –For the Preschool Program.

Dr. Granger was a local optometrist who practiced in downtown Kendallville from 1927 until his retirement in 1973. Dr. Granger died in March of 1981 at age 86, his wife Marguerite Granger passed in April 1970. Dr. Granger was a lifetime member of the local Elks Lodge #1194 and a member of F. & A.M. #276 lodge for more than fifty years plus a member and past president of the Kendallville Lions Club since 1929. He also helped in organizing the Kendallville Chamber of Commerce where he served as past president and a director for six years. Prior to his death he and his wife created their private foundation.

“\textit{I think this is a smart move that these funds should be left to an organization such as our community foundation, which will help it grow and assist many non-profits for generations to come!}”

Dr. Thomas Jansen

The Wilber L. Helmer Fund is an endowed designated fund and will support four local non-profits annually, these are: Kendallville Park & Recreation Department, Kendallville Public Library, Kendallville Day Care Center, and Noble County Foundations (ARC).

Mr. Wilbur Helmer was born in Avilla and graduated from Kendallville High School in 1935. He was a partner and owner of the Helmer Liquor Store in Kendallville that his father Lawrence had started in 1951. He never married and died at the age of 73 on September 30, 1989. He too created his private foundation prior to his death where upon Dr. Jansen became the sole trustee.

Noble County Memorial Scholarship Fund

In memory of Kenneth Forker, Chester E. Dekko, John E. Hogan, Howard G. Heckner, Dorothy Mossman, Dave Knopp, Loretta and Christine Noe, Sandra K. Shepherd, Sylvan Springs

Many have found that a fitting way to remember a special someone is through a gift in memory of that person. During times of great sorrow we look for ways to honor the memory of those who are dear to us, and it becomes very important that the memorial carries their name. Scholarship funds are one of the most popular choices for families wishing to remember their loved ones. The thought that future generations will benefit in their memory can bring great comfort.

The Noble County Community Foundation is pleased to announce the creation of a Memorial Scholarship Fund. Through a combination of single or multiple gifts this fund will enable families and friends to memorialize their loved ones forever. Each year the names of those memorialized will be listed as part of this scholarship. Annual scholarships of a minimum of $1,000 will be awarded, and recipients can apply for Noble County Community Foundation scholarships such as this and others. To have the name of your loved one included on our Memorial Scholarship please contact the community foundation at 260.894.3335 or Linda@NobleCountyCF.org

Scholarship funds have become one of the most popular choices for families wishing to have their loved ones remembered.
