Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

When a grant is applied for, a grant evaluation form is used to score the application. The Community Foundation uses FIMS (Financial Information Management System) software. Files are kept and maintained on grant recipients. Final reports must be filed in order for future grants to be made to organizations. When the reports are filed, we ascertain that the grant funds are used for their intended purposes and that everything was correctly administered as was stated in the grant application and determine whether or not the grantee is eligible for future grants. Until they are in compliance future applications are not considered. With regards to scholarships, criteria is set and approved by the Board of Directors. A six member Scholarship Committee that is made up of members who represent all areas of the county review most applications. Scholarship recipients are required to meet the criteria set out to be eligible. Correspondence continues with the scholarship recipient to ascertain that they are continuing their education at the same institution, that they make the grades (if a requirement), and that any other stipulations are met as set out in the criteria. These areas are monitored by staff at the Community Foundation, and records are maintained in FIMS as well.
