Mission Statement

To improve the quality of life in Noble County by serving as a catalyst for positive change, enabling donors to carry out charitable intent, and making grants.

Dear Friends,

30 years and counting!

The Community Foundation of Noble County is so excited to celebrate such a wonderful accomplishment. 30 years of promoting philanthropy and supporting the community and nonprofit organizations in Noble County. So much has been accomplished over the years because of YOU!

In 2020, with the help of a grant from Lilly Endowment, CFNC Board of Directors and staff worked with the Noble County community to identify key needs and issues in the community. It was determined that more affordable, high-quality child care and early learning opportunities were needed. CFNC partnered with the Noble County Economic Development Corporation and the United Way of Noble County to create Noble Thrive by 5, an early childhood coalition for Noble County. In October 2021, Jenna Anderson was hired to lead our coalition. Jenna has led multiple meetings of community stakeholders to flush out the assets and opportunities in Noble County to support the needs of our county's children, parents, employers, and service providers. We are excited to see this work continue in the years to come.

In honor of CFNC's 30th Anniversary, the foundation's Board of Directors approved \$30,000 in proactive grants to six community-focused organizations in Noble County with each organization receiving \$5,000. The foundation's grantmaking priorities include education, child care, and economic development. The following three organizations were recognized for their work in child care and early learning: Central Noble Preschool in Albion operated by the Cole Center Family YMCA, The Apple Tree Center in Kendallville, and Ruth Stultz Preschool in Ligonier. The following organizations were recognized for their work in youth entrepreneurship through student-led business: Deja Brew at Central Noble High School, Turning Point Coffee Company in Ligonier, and the Crew Youth Center's lawn care program in Kendallville.

Reflecting on the first 30 years of the Community Foundation of Noble County, we know that none of it would have been possible without generous and community-minded citizens like YOU! Noble County is filled with so many amazing assets. CFNC strives to improve the quality of life in Noble County by serving as a catalyst for positive change. We will continue to look to connect the assets of our county with the opportunities where they can have their greatest impact.

Sincerely,

Richard

The Crew Youth Center Receives Grant!

The Community Foundation of Noble County awarded a grant of \$8,250 to The Crew Youth Center, Inc. to assist with the Crew Lawn Care project. The Crew Youth Center is a center for teens in Noble County. The Crew provides hands on experiences for students to learn life skills and go out into the community to apply what they have learned. The Center is excited to announce a new program that will not only serve community members but also teach job-based skills that youth will be able to apply to a future career. The Crew Lawn Care program will teach youth participants how to run a business, safely operate yard work equipment as well as engage into community service. Each youth will participate in a 5-day training that teaches them an overview of all lawn equipment, hands on practice with the equipment, customer service, responsibility and how to manage a business. There are several levels to this program, designed to teach a youth a different lawn care skill at each level. The program will focus on serving youth, senior citizens, single mothers, veterans, and individuals with special needs or who are handicapped. What a fantastic project!

Youth Philanthropy

Thanks to a long-term partnership between local schools, the Community Foundation, and the Dekko Foundation, young people in Noble County are practicing philanthropy. Through their participation in P.U.L.S.E., students learn the value of giving their time, talents and treasure to their community. The group carefully considers grant proposals from area nonprofits, awarding funding to projects that align with their mission. The group can also be found doing monthly service projects across the county, and partnering with nonprofit organizations to make a positive impact in our community.

P.U.L.S.E. of Noble County hosted its 16th Senior Citizen Prom in 2022 at the Community Learning Center in Kendallville.

Welcome, New Funds!

Brian H. Joest Memorial Fund

Brian Henry Joest was born in Lagrange, Indiana in 1957. He grew up on the Atwood family farm that was settled by his ancestors in the mid-1800s.

Brian enjoyed doing things for other people and took so much joy in their happiness. His career choices reflected his servant's heart. He loved working in the hospitality industry and being able to make someone else's vacation more memorable. He helped the patients and their families at Life Care Center. He spent years making a difference for students in our local schools.

Brian experienced first-hand the unique challenges faced by the families of individuals with special needs. He was a father, stepfather, and step-grandfather to children with different disabilities. He understood the difficulties of navigating support systems and knew there are gaps in these systems that result in unmet needs. At the end of his life, while he was fighting cancer, Brian dreamed of being able to return to the classroom to help special needs students. This was not to be. In 2022, his family created this fund in his honor with the intent of continuing his dream to help improve the lives of individuals with special needs.

Brian's fund was established in February 2022 by his loving family.

Cancer Services of Northeast Indiana Noble County Fund

The mission of Cancer Services of Northeast Indiana is to enhance the quality of life of those affected by cancer by providing meaningful resources, information, and compassionate assistance. When people with cancer come to Cancer Services, they are connected to a Client Advocate. Each year our Advocates serve nearly 5,000 people with cancer as well as their families. He or she identifies the full range of needs for each family and works with each client on an ongoing basis to assure that those needs continue to be met.

Welcome, New Funds! *continued*

City of Kendallville Preserving Main Street Fund

The City of Kendallville Preserving Main Street Fund was established by the City of Kendallville and Experience the Heart of Kendallville as part of the

downtown revitalization OCRA block grant. This grant's purpose is for the sustainable historic preservation and downtown revitalization of the City of Kendallville.

Marilyn and Bill Emmert Fund

Bill and Marilyn Emmert have a calling for philanthropy in their community. They are passionate individuals who give freely of their time and talents. Marilyn has done extensive volunteering with Habitat for Humanity, Albion Lions, Central Noble Elementary, amongst the many other organizations she has volunteered for.

Bill has also shown great involvement in the community, volunteering on the Central Noble School Board, 4-H Beef Show Committee, Arc Noble County Foundation board, and Junior Achievement board. He is also the organizer of "Common Ground" for the food reserve bank. Marilyn was inspired to give back to her community by former Executive Director of the Community Foundation of Noble County, Dave Knopp. The fund will continue to give to the community the Emmert's call home.

Noble County Council on Aging Receives Grant!

The Community Foundation of Noble County recently awarded a grant to Noble County Council on Aging for \$25,000 to assist with the Senior Center Phase 3. Noble County Council on Aging is building a new senior center to better serve the needs of its senior population. The new facility will be a single-story building with ample indoor and outdoor space that is handicap accessible. The new space will accommodate many more visitors and be able to host numerous activities.

Pictured is NCCOA Executive Director Cherish Smith.

In honor of CFNC's 30th Anniversary, the foundation's Board of Directors approved \$30,000 in proactive grants to six community-focused organizations in Noble County with each organization receiving \$5,000. The foundation's current grantmaking priorities include education, child care, and economic development.

The Community Foundation is pleased to recognize the organizations here for their work in youth entrepreneurship through student-led business: Deja Brew at Central Noble High School, Turning Point Coffee Company in Ligonier, and the Crew Youth Center's lawn care program in Kendallville.

1. Central Noble Deja Brew. Pictured are Shawn Hoover CN Principal, Brad Graden CFNC Director, Deja Brew students Alyssa Lock, Emma Sensibaugh, Savannah Phillips, Aunna Jackson, and Michelle Sirois CN teacher and Deja Brew instructor.
