Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

When a grant is applied for, a grant evaluation form is used to score the application. The Organization uses Community Suite and Foundant GLM SLM. All grants are monitored and tracked through this software. Electronic files are kept and maintained for grant recipients. Final reports must be filed in order for future grants to be made to organizations. When final reports are filed, it is ascertained that the grant funds were used for their intended purposes and everything was correctly administered as was stated in the grant application. It is then determined whether or not the grantee is eligible for future grants. Until they are in compliance, future grants are not considered. With regard to scholarships, criteria is set and approved by the Board of Directors. A six member scholarship committee made up of members who represent all areas of the county review most applications. Scholarship recipients are required to meet the criteria set out to be eligible. Correspondence continues with the scholarship recipient to ascertain that they are continuing their education at the same institution, that they make the grades (if a requirement), and any other stipulations are met as set out in the criteria. These areas are monitored by staff at the Community Foundation, and records are maintained in Community Suite as well.
